Kings Elite Program League / Tournament Schedule

Kings Elite Teams will participate in both league and tournament play, set by the Directors of Coaching. It is with great consideration that our Directors created a schedule that provides the following components; Quality Competition, Local & Regional Balance, Maximum Exposure, Moderate Travel and Opportunity for Growth and Development. As with the training schedule, the league and tournament schedule is established well in advance. However, changes and adjustments will be made based on the teams overall need.

ELITE PROGRAM LEAGUE / TOURNAMENT RECOMMENDED SCHEDULE
